

Kaya Natin! Good Governance Pledge

I, (state your name), make this commitment and pledge to uphold the standards of effective, empowering and ethical leadership in the best way possible.

I commit to continue the fight against graft and corruption in my local government unit and in our country, advancing instead the values of transparency, social accountability and people's participation in governance.

I commit to respect, observe and implement the laws of the country necessary for the nation to function well.

I commit to promote genuine and lasting electoral reforms that will ensure clean and honest elections.

I commit that I will not support nor take part in any kind of illegal and immoral activities such as vote-buying, electoral fraud, bribery, illegal drugs, illegal gambling, illegal logging to name a few.

I commit to developing and implementing innovative programs and activities necessary to curb poverty and uplift the quality of life of every Filipino.

I pledge to support my fellow leaders in Kaya Natin! who are one with this pursuit for good governance, leadership with integrity and genuine service to the Filipino people.

Should I violate any of the provisions of this pledge that I have taken, I understand that I can be asked to leave the movement at any time.

Finally, I pledge to abide by these values and principles for as long as necessary, whether as an elected government official or as an ordinary citizen of the Philippines.

So help me God.
